

An Open Letter To A Driver Who Speeds Through Our Streets

I saw you barely miss a little boy on a tricycle this afternoon and heard you yell "Get the he..... out of the way. Don't you know any better than to ride in the street?" He didn't answer, because he hasn't learned to talk very well yet, so I'll answer for him.

No, the little boy doesn't know any better than to ride his tricycle in the street. He has been warned not to, but little boys don't always remember warnings. Some adults don't either, especially traffic warnings, and those limiting the speed of automobiles.

Now stop a minute and think. IF YOU SHOULD KILL A CHILD, HOW WOULD YOU FEEL FACING HIS PARENTS? What excuse could you give them for having robbed them of their dearest possession?

Children, my hasty friend, were here long before you or your automobile. All the automobiles on earth are not worth the life of one little child. WE COULD GET ALONG WITHOUT YOU, but we can't spare a single little boy or girl in Torrance.

FIRST ANNUAL P.V. COLLEGE BANQUET SLATED TOMORROW

The first annual banquet of the Friends and Founders Committee of Palos Verdes college will be held on Friday, Nov. 14, at the Hollywood Riviera Beach club. Students, faculty, members of the Board of Trustees, and the Advisory Council, members of the Board of Trustees and Friends and Founders of the new college will be present, as well as prominent educators and civic leaders of the southland.

Purpose of the banquet is to acquaint an ever widening circle of friends with the purposes and aims of the new two year educational institution, which opened in Rolling Hills in September.

Principal speaker for the evening will be Dr. Richard P. Saunders, president of Palos Verdes college, who will discuss the history of the new institution, its present situation, and its future plans.

A prominent figure from the entertainment world will serve as master of ceremonies and music will be furnished by an ensemble from the Palos Verdes Symphony orchestra. Students of Palos Verdes college have prepared other entertainment.

Dr. Paul A. Reeder of Palos Verdes Estates is chairman of the banquet committee, which includes Mr. John H. Robertson of Rancho Palos Verdes; Mr. Don Pugh of San Pedro; and Mr. Stuart A. Ripley of Palos Verdes Estates.

PEARL TIARA FRAMES BRIDE'S AUBURN HAIR AT ROLLINS-GREENWOOD WEDDING

TASTES GOOD, TOO... Mr. and Mrs. E. L. Greenwood (Mavis Rollins) sample their wedding cake at a reception after their recent marriage in the First Baptist Church. They are now at home at 2134 S. Figueroa st. in Torrance. (Bill Husband's photo).

Gowned in traditional white satin, Miss Mavis Rollins, daughter of Mr. and Mrs. Robert Hise, 2134 S. Figueroa st., was married recently to Edward L. Greenwood Jr. of Seattle, Wash., in the First Baptist church of Torrance.

A seed pearl tiara and fingertip veil framed the bride's auburn hair. Her gown was molded at the hipline in soft drapes with a bustle effect. A shower of white bouvardia and satin ribbon fell from her bouquet of roses and bouvardia.

Mrs. Phyllis Smith, sister of the bride, served as matron of honor, wearing a cap-sleeved gown of dusty rose taffeta moire with matching mitts, a tiara, and carrying a nosegay of pink roses.

Another sister, Mrs. Gloria Deering, was bridesmaid in an identical dress of aqua, while Miss Ruth Greenwood, the bridegroom's sister, was the other bridesmaid and wore a fuchsia gown. Both carried roses of a deeper shade.

Harry E. Greenwood acted as best man for his brother. Ushers were Hazen H. Deering and E. K. Hise. The bride's father gave her away.

The bride's mother wore an afternoon frock of turquoise crepe with gold sequin trim. She carried yellow roses, while the

JUST STEP ON THE GAS AND GO!

... Away out ahead... automatically!

NO CLUTCH PEDAL!

Here's real driving magic. A touch of a toe on the accelerator and you're away. No gears to shift. No clutch to push. In fact, in an Oldsmobile with Hydra-Matic Drive, the clutch pedal's gone... completely!

It's the smart, modern way to go places... automatically. Gear shifting is fully automatic through four forward speeds. There isn't even a clutch pedal in the car!

Introduced by Oldsmobile eight years ago, Hydra-Matic Drive has been proved in the hands of more than 400,000 enthusiastic Oldsmobile owners... proved in literally billions of miles of driving.

Oldsmobile's smart appearance matches its smart performance, too. The smooth, trim lines of this Style-Leader have everyone saying—"It's SMART to Own an Olds!"
